How to find my ring size?

JEWELRY THAT ENRICHES YOUR NATURAL STYLE

How to do it...

1. Print this page by clicking the print button in the right hand corner.
2. Print on standard 8 1/2 by 11 size paper. Note: The ring sizer should be 3 3/4 inches.
3. Follow the scissor indicators to cut out the ring sizer.
4. Wrap the ring sizer around your finger with the number side facing out and be sure not to pull it too tightly.
5. Look at the number closest to the line and that will be your ring size.
Try these steps a few times to ensure an accurate measurement.
